

Dear Parents/Guardians of future Summit School Students,

We are delighted you are considering Summit School of the Poconos for your child's education. Our community is committed to preparing students to thrive as 21st century citizens. To that end, we have developed an educational experience that is a microcosm of our real world.

Imagine children spending their days at a school without rows of desks, collaborating on interesting projects in mixed-aged groups, spending time learning outside, and naturally developing social and emotional skills.

The student application is designed for parents to download and fill out electronically. Please then save and email the document to [director@summitschoolpoconos.org](mailto:director@summitschoolpoconos.org). Once we receive it, we will be in touch to schedule an admissions interview with your family.

Sincerely,

Nicole Elwood  
School Director

## APPLICATION FOR ADMISSION

Date of Application \_\_\_\_\_

PO Box 381  
Stroudsburg, PA 18360  
Phone: 570-664-1229

How did you hear about SSP? \_\_\_\_\_

As a parent, you are considering a nontraditional education for your child at SSP. What about our model appeals to you and why do you feel your child will thrive in our environment?

What other schools have your child attended? Describe the overall experience your child had at the school, addressing aspects that were particularly successful or particularly unsuccessful.

How would you, as a parent, describe your child's personality and learning style?

What other information can you share that would help us understand your child better?

Names and ages of child's siblings \_\_\_\_\_
